

Annunciation Parish Pastoral Council Meeting
Tuesday, May, 15, 2007
6:00 p.m. O'Brien Social Hall-St. Patrick Church

Quad-Parish Meeting I. Fr. Don offered the opening prayer

II. Town Hall Meetings were discussed. Not any surprises there.

III. Recommendations for Quad-Parish linkage were reviewed and approved by all 4 parishes.

IV. Vicariate Representatives were selected for each parish. Joe Jacques will represent Annunciation.

V. Parish Nurse offer was discussed. We cannot afford this at this time. It was also noted that there were other options available for those who need a nurse.

VI. Vicariate Forms were given to each parish to fill out during their individual council meetings.

Fr. Don then went through the list of Commissions and who serves on the council from the commissions.

For Annunciation they are:

Stewardship—Joe Arttus

Social Concerns—this is Sr. Marci's group—on one as of yet

Worship—Jane Giese

Faith Formation—Joe Jacques

Christian Life—no one as of yet

School board—Sarah Tenor

Parish Council has 3 at-large members: Jane Hansen, Eric Van and Perry Paul. Perry's term is up in 2007. He decided that he wants to serve 3 more years.

Lisa Niemuth's term as Secretary Trustee is also up. Fr. Don will talk to her about it.

Annunciation Council Meeting

Discussion on how to best advertise the new Mass schedule. Some suggestions were: large signs in front and on the sides of the church or perhaps a refrigerator magnet for each parish member with the new times on them-provided the cost was not outrageous.

Discussion about the celebration of Annunciations 75th anniversary. It will be held in conjunction with the parish picnic on August 11 and 12. Suggestions for the celebration: Picture board with pictures-we can ask parishioners to contribute these, perhaps invite former pastors back to help celebrate, maybe we could give away small bottles of holy water imprinted with Annunciation's 75th anniversary, and celebrate with a sheet cake with a picture of the church on it.
