Dear Committee, Club, and Group leaders,

As some of you may know, the Quad Parish Stewardship Commission has been asked to put together a booklet to highlight the many ministries our parishes have available to our parishioners. As part of the process of compiling this booklet, we want to represent your group in a way that meets your group's expectations, so we are asking you as leaders of the various committees and/or groups within our parishes to help us provide the correct information in order

We apologize in advance if you feel you have provide similar information in the recent or distant past, but updated consistent information will help fellow parishioners better understand who your group is and what it has to offer.

We would like you to provide the following information:

- Either your mission statement or a brief description of who you are and what you do. Try to limit this to approximately 100 words or less and focus on the key points
- Meeting schedule – when and where do you meet
- Contact information – we would like permission to publish the contact person's name, number and/or e-mail address to make it easy for people to contact your group

In order to meet our timeline, **we would like to have this information back to us by February 22<sup>nd</sup>**. Please e-mail your electronic responses to Marty Kyles at <lkyles@new.rr.com> or drop them off at the Quad Parish Office Attn: **Fr. Andy – QPSC** . Please contact Marty at (920)360-6694 if you have any questions.

Thanks in advance for taking the time to assist us in demonstrating all of the wonderful opportunities we have to offer to our current and future parishioners. We would also like to thank you and your groups for the continued commitment to Stewardship within our communities through your Prayer, Service, and Sharing...

Sincerely,  
The Quad Parish Stewardship Commission
