

**QUAD-PARISH FAITH FORMATION  
MAY REPORT**

**May has been a month of reviewing, cleaning and planning.**

**I am meeting with my home-study families to review and plan on the next years sessions for their children.**

**Each family is asked to come in with their child/ren to review the key ideas in the text they worked on during the past year.**

**After a review and discussion of the material I will keep a record for the K-5 ministry of their accomplishments. This is kept with the attendance records for future references in case they would transfer to another parish.**

**I have 4 families as of now and I know there will be more next year.**

**Submitted by Maxine Geiger  
Coordinator of K-5**
