

SCRIP

What is SCRIP?	SCRIP is a fund raising program through which businesses give a percentage of the cost of pre-paid cards and coupons back to our parishes.
Who benefits from it?	Each parish benefits from the sale of SCRIP.
Why should I use it?	SCRIP is available for most of the stores we do business with on a regular basis. When you do your ordinary shopping and purchases for living, SCRIP vendors make a contribution to your parish.
What does it cost me to use SCRIP?	Nothing! You receive the full value and your parish receives a percentage from the business.
What do I need to do?	Simply identify the businesses you currently use and purchase SCRIP in the denomination that best fits your need.
Where can I purchase SCRIP?	SCRIP is usually available after each Mass. It is also available at the Quad-Parish Office and Faith Formation Office.
Can I purchase SCRIP for non-parish members?	SCRIP can be transferred to anyone – they make great gift cards!
Where else can I learn more about SCRIP?	Call the Quad-Parish Office or Faith Formation Office.
What are other common uses for SCRIP?	Besides gifts... groceries, gas, prescriptions, restaurants, floral, dry cleaning, movies, office supplies, building supplies, electronics, clothing, books, car washes & MORE!
What else can I do to help?	Spread the word about SCRIP and encourage others to try using it too!!!
